

DHABRIYA  
GROUP

---

## CORPORATE PRESENTATION

### **Philosophy:**

Spreading a message is easy but to bring it to reality is what really makes the difference and Dhabriya Group is making that difference by saving approximately 7 lakh trees per year. It is an attempt to bring up an era of wood free houses and to educate people on the importance of saving trees for the simplest human reason “life”.

### **Vision:**

We are going to provide a better world to live by saving natural resources like TREE

**Dhabriya Polywood Limited** is one of the most reputed name in the manufacturing of products for a wide range of building interior & exterior applications.

The company was incorporated in the year 1992 with the brand name 'Polywood' with PVC profile products. With continuous growth and innovation, the company diversified its product range in various other segments with the brands :

**POLYWOOD – SINCE 1992**

**D-STONA – SIGNATURE DECORS**

**DYNASTY- FURNITURE FOR GENERATIONS**

With perfect vision and growth , the Company made its presence all across the nation and became a BSE-SME platform listed Company in the year 2014.

The company has always focused on innovation & technology in order to actively support the concern “Save Trees” by providing high quality wood substitute and environment friendly products to its customers and spreading reach to more areas.
